01

COMPANY OVERVIEW

Durakart Marketing Private Limited is a premier Indian knitwear manufacturer established in 2013, with over 12 years of excellence in producing high-quality knitted garments. Based in West Bengal, India, our vertically integrated facility covers in-house pattern making, precision cutting, sewing, and steam ironing — all under one roof.

Our commitment to uncompromising quality, ethical business practices, and on-time delivery has made us a trusted manufacturing partner for domestic and international buyers. With a daily production capacity of 8,000 units and 100–200 skilled professionals, we handle large-scale, complex orders with precision and care.

OUR VALUES

Customer First

Unwavering commitment to meeting and exceeding customer expectations — in every order.

Integrity

We conduct business with sincerity, transparency, and ethical practice across all partnerships.

Continuous Improvement

We invest in our people, processes, and technology to remain ahead of industry standards.

"Quality is the Best Business Plan" — We deliver products of uncompromising quality at competitive prices, ensuring complete customer satisfaction and on-time delivery.

WHY PARTNER WITH US

Flexible MOQ

We accommodate both small trial orders and large bulk runs — ideal for new buyer relationships and scaling partnerships.

Competitive Pricing

Our efficient production setup and direct manufacturing model ensure highly competitive ex-factory prices without quality compromise.

Full Traceability

Every order is tracked from fabric receipt to final shipment with complete documentation, AQL reports, and client updates.

Final Examination	All units inspected before dispatch	100%
Final Audit	All styles audited before shipment	2.5% AQL

SYSTEMS & SAMPLE DEPARTMENT

	Computerized System · Control EDI · UPC Printing (Morgan)
	Quality Manual Available · Inspection Results Maintained for all orders
	Patterns · Proto Samples · Sales Samples · Final Approval Samples
	Full traceability from fabric intake to final shipment for every order

07

OUR MANUFACTURING FACILITY

Our 20,000 sq. ft. factory in West Bengal is equipped with 195 modern machines across dedicated zones for cutting, sewing, finishing, and quality inspection — managed by 100–200 experienced employees in a clean, pollution-free environment.

08

PROFESSIONAL STRENGTHS

01

Quality Assurance

End-to-end QC from raw fabric to shipment with documented inspection records for every order.

02

Experienced Team

Long-tenured, skilled employees deliver consistent quality and innovative designs across all categories.

03

Transparency

Periodical progress reports give clients full visibility throughout the production cycle.

04

On-Time Delivery

Efficient modular production meets every agreed timeline without compromise on quality.

05

Technical Expertise

Deep expertise in Yarn Dyed Fabrics, Cotton Elastane, Garment Dyeing & Washing.

06

Client-Centric

Custom solutions from sampling to bulk production and embellishments, tailored to each buyer.

09

OUR PAST WORKS

A curated selection of garments produced across our product range, demonstrating our craftsmanship, design capability, and versatility across all categories.
